A THANK YOU NOTE...AS I RETIRE

It all started with a simple prayer to God. I wanted to assist people that the banks, at that time, (late 50's) would not serve. It seemed impossible to me, as I had no money of my own and just a business diploma from John Hay High School when I married Jim and was introduced to the **2nd Mt. Sinai Baptist Church Credit Union**. They immediately asked me to serve on the board and there began the 50 years of service. Nothing is impossible with God!

As I look back over the 25 years of volunteer service to the church credit union, I know it was God's grace that brought us and added people along the way to establish **FAITH COMMUNITY UNITED CREDIT UNION** and made it prominent throughout the world. Many foundations, banks, larger credit unions and non-profits helped us during the next 25 years of my tenure as CEO and we became the largest Community Development credit union in the State of Ohio. My dream of serving everyone, even those with the least, has been fulfilled.

The journey took us from the adding machine, to the computer. From passbooks to statements. From only cash to checking, credit and debit cards, direct deposit, and ACH. From one small loan to auto, real estate, business loans and lines of credit. From one \$5.00 share to a shopping cart of savings products. From one room in the church basement to our own building and even a presence on Wall Street in NY, as I served as President of the Board of Directors of the National Federation of Community Development Credit Unions for years. From a high school education, to establishing and completing a Community Development curriculum at Southern New Hampshire University.

God answered my prayer by sending each one of you; depositors, volunteers, board members, management team, staff, the insurers and regulators. I thank you all for the part you have played in making my dream a reality.

I retire from the day to day rigors of the job, but not from my love for the credit union. It is my prayer that the new CEO, **Vaughn Johnson** will be as blessed as I have been, while continuing the legacy and carry **FAITH COMMUNITY UNITED CREDIT UNION** to even higher heights.

"Some plant, some water, but it is God who gives the increase."
