Spring 2015

Greetings from Faith's New President and CEO

Members,

Many of you have stopped to introduce yourselves and share a word of welcome since I joined the Faith Community United Credit Union family as President and Chief Executive Officer on February 23rd. Please know how much I appreciate your good wishes and warm outpouring of support. For those with whom I have not yet personally connected, I hope you will visit at your earliest convenience.

In the way of background, along with a strong commitment to community service, I bring more than 25 years of professional experience in financial services and business--lending, investing, mortgage finance, community and economic development, and nonprofit management--in New York City and Cleveland. I join a dedicated and caring staff and an engaged and committed board led by Board Chairman LaRese Purnell. Our credit union is also blessed to have the ongoing support of our CEO Emeritus, Rita L. Haynes.

Faith is uniquely positioned in Ohio as a solid community development credit union with a long history of innovation and service. We are poised to strategically grow our products, services, delivery options, and member base. It is an honor and a delight to take the helm at this time.

In closing, please join me in thanking Jacqueline Moore for serving so ably as our interim CEO for the last two years. We are fortunate that Jackie will remain with us as part of our senior leadership team. Her experience and input will help us stay the course as we continue to deliver on our commitment to meeting the financial needs of our market while guarding the financial strength of our credit union.

I appreciate you and welcome your thoughts on how we can bring more value to your credit union membership. Please feel free to reach out!

Deborah E. Perkins
