Earn More With Faith Certificates

CDs are popular with savers looking for greater returns on their funds. They are the easiest way to save if you do not need immediate access to your funds. They are great for special savings incentives, such as college or home buying. Faith CDs interest rates are higher than our traditional savings account. Our CDs actually pay more than many other financial institutions in Northern Ohio. The more you save the more you earn. FCUCU offers various rates and terms. So open a Faith CD today! For more information visit our website at www.faihcu.com and see our great rates!
