# Taking Faith Into the Future

FROM OUR CEO  
JACQUELINE MOORE

For the past 70 years, Faith Community United Credit Union has provided financial services to our members here in Northeast Ohio. We are excited about what the future of Faith holds. To continue our mantra of “people helping people”, we need our **Faith All Stars** to help us bring our vision to life. An All Star simply means you will consider partnering with us by buying a ticket to our gala, becoming one of our sponsors, opening an account or applying for one of our low-interest loan products.

Not only does the future of Faith depend on what we do today, it also heavily depends on us involving our young people who will be the next generation to carry out the mission services of our credit union.
