Now is the Time for a Home Improvement Loan

If you have been putting off that kitchen update or bath addition, wait no longer. With the increase in home prices and rarely better loan rates, make this the year you add value to your home. Whether it is converting the basement into a "man cave", updating a bathroom or finally getting the kitchen of your dreams, a Home Improvement Loan from (Credit Union name) can make it happen. Our great rates and the flexible terms may make getting your home improvement loan easier than choosing your counter tops or paint colors!
 No matter what the size of the job, from updating a bathroom to renovating and expanding the entire house, do your homework before you hire a contractor!

Then, ask for a list of references and contact the ones at the bottom of the list as well as the top. Ask the references if they would hire the contractor again and what they would change if they could do it over again. Ask for estimates in writing. Then call or stop by the credit union to apply for your loan. You have waited long enough to enjoy all the comforts of home.

Small Business Help

Faith Community United Credit Union along with the US Government are concerned about your small businesses. To help protect your business, there may be funds available to help you survive during the COVID-19. The Paycheck Protection Program is implemented by the Small Business Administration with support from the Department of the Treasury.
 For more information visit www.sbs.gov or www.coronavirus.gov.

For additional COVID-19 information, visit coronavirus.ohio.gov.
 For answers to your COVID-19 questions, call 1-833-4-ASK-ODH (1-833-427-5634).

 Cover your mouth with a tissue or sleeve when coughing or sneezing
 Avoid touching your eyes, nose, mouth with unwashed hands or after touching surfaces
 Clean and disinfect "High-Touch" surfaces often
 Call before visiting your doctor
 Practice good hygiene habits

COVID-19 and Anxiety

Ways to Cope with Strong Feelings Related to COVID-19

Ohio Department of Health Director Amy Acton, M.D., MPH, strongly offers these recommendations for coping with anxiety related to the COVID-19 outbreak:

Remember that distress, anxiety, fear, and strong emotions are normal in times of distress or crisis. Remind yourself and others that these feelings will fade.

Get information from a trusted source, such as coronavirus.ohio.gov or by calling the Ohio COVID-19 call center at 1-833-4-ASK-ODH (1-833-427-5634).

Learn and follow tips for preparing for and responding to COVID-19.
 Learn and follow tips on how to prevent COVID-19.

Avoid excessive exposure to media coverage of COVID-19. It is important to get good information to help you prepare and respond, but don't overwhelm yourself or your family with information.

Eat nutritious food, exercise, get adequate sleep, stay hydrated, avoid alcohol and drugs, and make time to relax and unwind. Incorporate stretching or meditation into your routine. Take deep breaths when feeling overwhelmed.

Stay connected with friends and family. Discuss your concerns and be supportive of theirs.

Keep participating in hobbies/activities that do not expose you to close contact with others in confined spaces.

If you have a mental health condition, continue with your treatment plan and monitor for any new symptoms. Call your healthcare provider with any concerns.
